

Bucks County Resource Directory

Winter 2022

Assistive and Support Services for Children, Youth, Families, and Other

Prepared and distributed as a free service to the community by the Homeless Education Program of the Bucks County Intermediate Unit.

The information provided herein is subject to change without notice and given without any guarantee. Thus, a guarantee or liability in any form, e.g. for the correctness, reliability, completeness and validity of the information is precluded.

The Bucks County Housing Link is the centralized point of information, assessment, and referral services for all Bucks County residents experiencing a housing-related crisis.

**Are you homeless or experiencing a housing crisis?
Call the Bucks County Housing Link at**

1-800-810-4434

How does the Bucks County Housing Link work?

- Residents experiencing a housing crisis will call the Bucks County Housing Link at 1-800- 810-4434.
- The Housing Link Call Center staff will screen all callers with a brief interview to determine the household's basic eligibility for housing assistance.
- The Housing Link Coordinated Assessment Center staff will then contact the caller to schedule an in-person appointment at the nearest regional coordinated assessment center.
- At this appointment, the coordinated assessment center will determine the level of housing assistance needed to resolve the crisis and the available assistance options.
- Persons in crisis will then be referred to the most appropriate housing assistance resource to resolve their crisis.

Which providers are participating in the Bucks County Housing Link?

The providers are: Family Service Association, Bucks County Housing Group, Bucks County Opportunity Council, and Keystone Opportunity Center. All participating providers have agreed to accept clients that are referred by the Housing Link, and to "close the side door" for all other requests for assistance.

What should residents expect when they call the Bucks County Housing Link?

Callers will be interviewed with a 20-question screening tool that will take approximately 15 minutes to complete over the phone. Callers will then be called back by one of the coordinated assessment center agencies to schedule an in-person appointment at the location nearest to them.

At this appointment, which will last approximately 1 hour, the caller will be asked to bring documentation for program eligibility verification, and will complete a program eligibility assessment as well as a nationally-recognized housing assessment to determine the most appropriate type of assistance for them.

What are the hours of operation for the Bucks County Housing Link?

Housing Link Centralized Intake at the Call Center is staffed Monday, Wednesday, Thursday and Friday from 8:30am-7:30pm. Tuesday until 4:30pm. Voicemail is available 24/7 and calls will be returned promptly.

The Nurturing Parenting Program provides in-home parent education and case management services designed to build nurturing skills as alternatives to negative parenting attitudes and practices. Trained facilitators use evidence-based assessment tools and curriculum materials to identify high risk parenting practices and beliefs that could potentially put a child at risk. Facilitators customize the curriculum to build on parenting strengths and address weaknesses in order to reduce or eliminate the need for future intervention. These services are free of charge and are open to parents, foster/kinship parents, grandparents, and anyone else caring for children in their custody.

NATIONWIDE SERVICES

Greyhound Community Service: "Home Free"

Greyhound Lines provides free one-way transportation between any two points in the continental US (excluding Alaska) for runaway, homeless, at-risk, Child Welfare adjudicated youth/children as well as victims of human trafficking returning home ("Home Free" program in conjunction with the National Runaway Switchboard).

To receive a free ride home, eligible youth/children ages 12-21 should call the National Runaway Switchboard at 1-800-RUNAWAY (1-800-786-2929). Upon verification, the center will contact Greyhound to make arrangements for free travel. Runaways and those who meet the eligibility requirements may also call a local social service agency, a shelter, or the police, who can also make necessary arrangements through the NRS and Greyhound. Since its inception in 1984, Greyhound Lines' Home Free program has helped return thousands of youth/children to their families.

A request for free transportation under this program must be approved through the National Runaway Switchboard at 1-800-RUNAWAY (1-800-786-2929)

Are You Experiencing Homelessness?

Children and youth experiencing homelessness have the right to be enrolled in school and fully participate in their education

Admitting that you, or your children, lack permanent housing can be uncomfortable. However, doing so privately to the school can ensure educational stability and access to numerous supports. The McKinney-Vento Homeless Assistance Act is the federal law that deals with the challenges encountered by children and youth experiencing homelessness in relation to enrollment, attendance, and succeeding in school.

Your Rights:

- To stay in the same school, or go to
- a school in the district where you are temporarily staying
- Register for school regardless of if you have proof of residency, academic records, or health records
- To go to school right away

School Supports:

- Transportation to and from school
- Help obtaining school supplies
- Start the free/reduced lunch program
- Request required academic and health records be transferred from previous school(s)

Getting Help:

Each school district has a Homeless Liaison who is responsible for explaining your rights to you, and assisting you getting the support services needed. To find your school's Homeless Liaison, contact the superintendent's office of your school district or search the Homeless Liaison State Directory online at: [http://homeless.center-school.org/Homeless Directory](http://homeless.center-school.org/Homeless%20Directory)
